

PRESS PACK - 2026

TOMASZ WOJDA

kick & heavy synth

BIO

Heavy kick, then synth.

DJ and producer. Deep, melodic and tribal house.

House that sits in the body, not just in the feed. The kick should hit the floor; the synth should bite a little.

Sometimes tribal, sometimes brighter, more melodic.

Clubs, outdoors and smaller rooms. Poland and Spain.

No big myth — I just play.
